

Pau-Choo (Julia) Chung (S'89-M'91-SM'02-F'08) is Distinguished Professor and Department Chair of electrical engineering at National Cheng Kung University (NCKU) in Taiwan. She has served as Director of the Institute of Computer and Communication Engineering (2008-2011), Vice Dean of the College of Electrical Engineering and Computer Science (2011), Director of the Center for Research of E-life Digital Technology (2005-2008), and Director of Electrical Laboratory (2005-2008) at NCKU. Dr. Chung's research interests include image/video analysis and pattern recognition, biosignal analysis, computer vision and computational intelligence, all with applications to healthcare and medicine. She received the Ph.D. degree in electrical engineering from Texas Tech University, USA, in 1991 and joined NCKU soon thereafter.

Dr. Chung has served as Program Committee Member in many international conferences. She was a Member of the IEEE International Steering Committee, IEEE Asian Pacific Conference on Circuits and Systems (2006-2008), Special Session Co-Chair of ISCAS 2009 and 2010, Special Session Co-Chair of ICECS 2010, TPC of APCCAS 2010, Chair of the IEEE Computational Intelligence Society (CIS) (2004-2005), Tainan Chapter, Chair of the IEEE Life Science Systems and Applications Technical Committee (2008-2009) and a member of the BioCAS Technical Committee and the Multimedia Systems & Applications Technical Committee of the CAS Society. She also serves as the Associate Editor of *IEEE Transactions on Neural Networks* and served as the Editor of the *Journal of Information Science and Engineering*, the Guest Editor of *Journal of High Speed Network*, the Guest Editor of *IEEE Transactions on Circuits and Systems-I*, and the Secretary General of Biomedical Engineering Society of the Republic of China. She is one of the co-founders of Medical Image Standard Association (MISA) in Taiwan and is currently on the Board of Directors of MISA. Dr. Chung is a member of the Board of Governors of the CAS Society (2007-2009, 2010-2012). She served as an IEEE CAS Society Distinguished Lecturer (2005-2007). She is an ADCOM member of IEEE CIS. She is a Member of Phi Tau Phi honor society and has been an IEEE Fellow since 2008.
